**LETTER AGREEMENT FOR MATERIALS TRANSFER**

Research Animals: **MRP8-hBCL FVB/N**

Per your request, Dr. Weissman's laboratory will furnish the above stated Biological Materials or animals to you under the following terms:

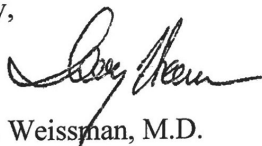

The Biological Materials or animals are provided for non-clinical, non-commercial research purposes only. Please do not distribute the Biological Materials or animals, including any progeny and any genetically engineered modification that is substantially based on and incorporates an essential element of the Biological Materials or animals, to any other individual or entity without my prior consent.

Because the Biological Materials or animals are experimental in nature, please note that they are provided without any warranties and that Stanford University and/or its employees have no liability in connection with their use.

An acknowledgement of this laboratory as the source of Biological Materials or animals in any publications arising from the use of the Biological Materials or animals would be appreciated.

If you agree with the above, please sign and return a copy of this letter to me for our laboratory records.

Sincerely,

Irving L. Weissman, M.D.
